Makes a significant contribution to the site	Excellent
Serves a clear purpose	Excellent
Graphics/Sound/Video are clearly labelled	Excellent

Up-to-date (the site was last revised) Date: 25/11/2014

What did you like about the site?
The use of CSS used throughout extremely enhances the user's experience (especially the grass cutting and audio).
What were elements that you did not like about the site?
The top bar where it says reliable, trustworthy and local at first sight look like the links of the page as that's where the eye starts when looking at the page.
